Total Credit Hours: 9

NOTE: Provisional NP students will complete a formal assessment of their science knowledge after admission but before entering an NP core course or declaring an NP track. Based on the assessment results, if a student needs to take NR-545, it will be added to their individual plan of study. Program/program options availability varies by state/location. Chamberlain reserves the right to update information as it becomes available. Information is current at the time of publication. For the most updated accreditation information, visit chamberlain.edu/accreditation.
